The team had a 3.5 yard rushing average, a 7.4 yard passing average, a play average of 4.2 yards, and a kick-off average of 48.6 yards.

Several honors were bestowed upon some of the players. Rod Davies and John Harris were voted co-captains, and John Harris received the team's "Most Valuable Player" award. All-conference selections for the offensive team went to Rod Davies, Ron Beal, and John Harris. The latter two, Ron and John, were also picked for the defensive team. Rod Davies and John Harris also received honorable mention all-state awards.

Tankers Lose Seven Seniors

Coach Yez's swimming team ended the season with a 3-8 record. Depth and inexperience proved costly in several meets. Although the record can not show it, the team lost three of their meets in the last race, which shows that had there been more depth, the team could have turned out a better season.

Grant Minor was Most Valuable Player for the Tankers and consistently took the 50 and 100 yard freestyle. Greg Ball finished the season with only one loss in diving and Jim Talley was the point-getter in the breaststroke and individual medley. Dennis Brown in the 200 and 400 yard freestyle and John Harris in the backstroke also claimed first places in many of the meets.

Darrell Lathrop and Rod Davies were elected co-captains by their teammates. At the district wrestling meet, Dean Amundson got a first place, Ron Beal got a second, and Rod Davies and Mike Lathrop each earned a third place.

Frosh Thinclads Show Bright Future

The varsity thinclads finished the 1969 season with a 1-1 record in two dual meets. In triangulars the Zippers were first once, second three times, and third once. Two records were set, one by R.J. Fraser in the two mile (10:49.5) and the other by Burton, Skees, Jahde, and Sheridan in the sophomore mile relay (3:49.2).

Eight freshman records were broken and one tied during the season, which indicates great promise for the future.

John Harris anchors the Low Hurdle shuttle.

Crowded Relays Conducted With Precision

The baseball team showed real strength and stamina in compiling a 16-9 record with 8 wins and 4 losses in Illio Conference play. The team's batting was centered around five outstanding seniors, who all ended the season with better than a .400 average. Two juniors led the pitching department with very respectable earned run averages.

Years of MHS History

The MHS twin instrumental organizations, the Symphonic Band and the Symphonic Orchestra celebrated their Golden Anniversary in 1968. These organizations have been a regular part of school life at MHS for the past fifty-two years.

The first band was organized during the 1917-1918 school year by Lt. Albert Carr who taught military science at MHS.

The orchestra developed from a violin ensemble that was playing before World War I under the direction of Mrs. Jessie Downing, who became Monmouth's first orchestra director.

Mr. Munneke is in his twenty-seventh year as instrumental music director at MHS.

Mr. Munneke and Mr. Mikita stand before the band during one of its regular practice sessions. Seated is Mr. Hal Herring, a student teacher in music.
